INTRODUCTION

The 1980 edition of the Roster of State and Local Officials follows the plan used in previous editions. The penal and correctional institutions are listed under the Department of Correction and the Administrative Unit for Special Institutions is listed under the Board of Health.

Dated December 1, 1857, the first roster of state officials found was included in the annual report of the Secretary of State. It was headed "State Officers, Supreme Judges, etc., of the State of Indiana." In 1860, a similar report was compiled, but its publication was omitted by direction of the then Secretary of State. There were no reports of the Secretary of State from 1861 to 1870. The 1871 report contained a roster, but the 1873 report includes the Indiana Official Register. The Official Register was included in the Secretary of State's report through 1916. Beginning in 1917, the Roster of State, Local and Municipal Officers appears in the Year Book and the Statistical Report of the Legislative Bureau. The Legislative Bureau continued to publish the Roster through 1933. In 1934 the Division of Accounting and Statistics took over publication and since 1946 the Roster of State and Local Officials has been published by the State Board of Accounts.

We appreciate the cooperation of state and local officials in supplying the information covering state, county, city and township officers. There is the possibility of some errors in names, addresses and expiration dates for the term of some officials; we have checked the lists with all available sources and feel confident that the listings as printed can be relied upon for all practical purposes.

No attempt is made to arrange major departments, operating units or territorial subdivisions on any basis of legal importance.

For information of any number not listed in the Indianapolis phone directory, place your call to 232-3140, as it may then be transferred to the proper individual.

The Roster is issued for use by public officials of Indiana and for citizens and institutions having need of the information it contains. Copies will be found in public libraries and in libraries of Indiana colleges and universities.

State Examiner

Effective January 1, 1972, the Judicial Amendment to the Constitution of Indiana (adopted November 3, 1970) became operative. This results in very extensive and substantial changes in the manner of selection, terms and composition of the Supreme Court and of the newly created Court of Appeals. This amendment was intended to remove such Offices from partisan politics and to provide better qualified justices and judges whose term of office would be more stable, and not subject to the results of political elections.

Vacancies created after the effective date of the amendment are filled by appointment by the Governor from a panel of three nominees who are selected by the Judicial Nominating Commission upon the basis of qualification.

The Justices of the Supreme Court no longer represent geographical districts; however, the Judges of the Court of Appeals do represent the geographical districts provided by P.L. 427 of the 1971 General Assembly.

Incumbent justices and judges of said Courts shall continue in office until the expiration of their elected term. At the general election immediately preceding the expiration of their elected term, their names shall be submitted to the electorate for approval or rejection as hereinafter. Justices and judges appointed to such Courts after January 1, 1972, shall be subject to approval or rejection by the electorate at the next general election following the expiration of two years from the date of their appointment. Justices of the Supreme Court shall be approved or rejected by the electorate of the entire State, judges of the Court of Appeals shall be approved or rejected by the electorate of the geographical district which they represent. Thereafter, if approved, such justice or judge shall continue to serve for ten years.

24-214 [IC 3-3-1-1]. Division of state into districts. — The state of Indiana be and the same is hereby divided into eleven [11] districts for the election of representatives in congress, and each of said districts shall be entitled to elect one [1] representative in congress at the general election to be held in said state on the first Tuesday after the first Monday in November, 1972 and at each general election thereafter. [Acts 1965, ch. 205, § 1, p. 469; 1971, P.L. 18, § 1, p. 150.]

Compiler's Note. The case of *Grills v. Branigin* (1967), 10 Ind. Dec. 42, 284 Fed. Supp. 176, held the provisions of the Acts 1965, ch. 205, unconstitutional because of excessive population variances. In further proceedings in the same case (*Grills v. Branigin* (1968), 13 Ind. Dec. 76, 284 Fed. Supp. 176), the court exempted this section from its holding of unconstitu-

tionality and prescribed the territorial limits of the various districts.

Title of Amendatory Act. The title of Acts 1971, P.L. 18, reads: "An act to amend IC 1971, 3-3; dividing the state of Indiana into congressional districts and designating the territory constituting each district."

Amendment. The 1971 amendment inserted the words "be and the same is" following the word "Indiana" and changed the date from November, 1966 to November, 1972 in this section.

Indiana Legal Forum. Whitcomb v. Chavis: A Step Forward For Multi-Member Districts — A Step Backward For Effective Representation, 5 Ind. Legal F. 167.
